

Dear brothers and sisters in Christ,

Welcome again to Holy Family News!

A Patron Saint for the Archdiocese - Traditionally each country and diocese is placed under particular saint as a model, source of intercession and is connected to the place. It turns out that the Archdiocese of Detroit thought St. Anne, coming from our French Canadian origins, was the patron saint but officially she was not. Now we are seeking a Patron. Go on the Archdiocesan web site aodonline.org and take part in the process.

Be Prepared to Fight the H1N1 Virus - As I had written in a recent article we all need to protect ourselves as much as possible from contact with the flu virus using good hygiene and common sense. The Archdiocese has some good information for that also. Go to the AOD web at aodonline.org

Our Parish Pictorial - Questions have been asked about the Parish Pictorial that was begun last year. The hope was to have the books in hand at the time of our anniversary. Unfortunately the company we originally signed with sold to another company and some of the pictures were not passed over as they should. We have given everything to them and are awaiting the delivery of the final draft of the book before it goes to print. As soon as it arrives we will make every effort to get it out to the parish.

Check out our Parish Web Site and some other good sites - Remember to look at our parish web site for more information about the parish. Go to holyfamilynovi.org

Veteran's Day Greetings - Wednesday, 11 November is Veteran's Day. Many great men and women have served this country. Say a prayer for the Veteran's who have defended our freedoms. Thank a Vet when you see him or her.

Combat Pornography - A evening presentation is being sponsored by "Band of Brothers" with a presentation on combating the pornography in our lives. The gathering takes place at Our Lady of Sorrows parish on Saturday 14 November. It begins with mass at 8am with the meeting following from 9 to 11. Details at: bandofbrothers.biz

Thought For The Day: When I look at the crucifix I am reminded that love is not free but freely given without counting the cost. As Christians, we are called to follow the Master and embrace the crosses in our lives. Then we find the peace we seek.

God bless
Fr. Tim
